Let them go

DOCTOR WHO: And how do you  
hope to achieve that?

3. 4 A  
MS MASTER

MASTER: As you know Doctor,  
our friends here have underground  
and underwater bases all over the  
world. It is my intention to  
reactivate them.

4. 2 A  
MS DOCTOR

DOCTOR WHO: But they're not  
reactivated yet, are they?

5. 4 A  
MCU MASTER

MASTER: No but they can be with  
your help.

6. 2 A  
CU DOCTOR

DOCTOR WHO: I wonderéd why I was  
still alive.

7. 4 A  
CU MASTER

MASTER: I advise you to give me  
no trouble. Not if you value the  
life of every man on this base.

MASTER: The problem Doctor, is this.  
 The trigger mechanism of the reactivation  
 machinery is faulty. It will be necessary  
 to build a new one.

DOCTOR WHO: And how do you intend to  
 do that?

22. 3 C  
 MCU MASTER

MASTER: By constructing a sonar  
 device analogous to the laser. With  
 this I shall pinpoint and  
 revive not only the base  
 near the fort but every Eocene  
 base all over the world. /

23. 4 B
